Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the West Nyack Revitalization project in fiscal year 2022. The entity to receive funding for this project is the Town of Clarkstown, located at 10 Maple Avenue, New City, New York 10956.

The funding would be used for water drainage system upgrades, wetland and stream habitat restoration, and stormwater management improvements with the intent of reducing flooding and revitalizing the historic hamlet of West Nyack. These stormwater management and related improvements will provide flood storage in an environmentally sensitive way and will give the community more incentive to visit the area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
