Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Beloved Community Green at Martin Luther King Multi-Purpose Center project in fiscal year 2022. The entity to receive funding for this project is Martin Luther King Multi-Purpose Center, located at 110 Bethune Boulevard, Spring Valley, New York 10977.

The funding would be used for Phase II development of a community green on the last remaining vacant lots in an urban-suburban neighborhood with no recreation areas for school age children or adults. Funding will complete and support revitalization of historic community of color, adding a pocket park, basketball court, gazebo for community events, and garden.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
