Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Relocation and Rehabilitation of Piermont Village Hall project in fiscal year 2022. The entity to receive funding for this project is the Village of Piermont, located at 478 Piermont Avenue, Piermont, NY 10968.

The funding would be used to create a new Piermont Village Hall outside of the flood zone. The project will consist of rehabilitating a vacant 2-story 19th-century former school building acquired by the Village. Construction will include remodeling the former classrooms for offices, including new offices, rooms, meeting spaces, and other necessary improvements.

The project will serve the larger community by allowing a key municipality in the region to remain viable. Local plans have called for the facility to be relocated out of the flood zone.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
