Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the New Center of Excellence for Women's Health at Refuah Health Center in fiscal year 2022. The entity to receive funding for this project is Refuah Health Center, located at 728 North Main Street, Spring Valley, NY 10977.

The funding would be used to construct and equip an approximately 10,000 square foot facility at Refuah Health that will house the Center of Excellence for Women's Health at Refuah. The Center will consist of examination/consultation rooms, mammography, outpatient surgical space, and an expanded midwifery led birthing center. Keeping in mind the deep emotional issues that can result from infertility and pregnancy loss, the Center will be designed with holistic design principles that will provide a soothing and patient-focused experience. The Center will be a place where all women feel safe and welcome, regardless of cultural background, race/ethnicity or socio-economic status.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
