Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hallocks Mill Sewer Extension Project, Phase 1, Final Engineering Design in fiscal year 2022. The entity to receive funding for this project is the Town of Yorktown, located at 363 Underhill Avenue, Yorktown Heights, New York 10598.

The funding would be used for Final Engineering Design of the Phase 1 Sewer Extension Project in Hallocks Mill Sewer District Extension, which will form detailed engineering plans and specifications for new sewers around the regionally significant Sparkle Lake area. This investment will protect the quality of water on which 10 million people in the region rely.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mondaire Jones".
