Cape Hatteras National Seashore  
1401 National Park Dr.  
Manteo, NC 27954

Dear Superintendent:

I am writing regarding the Park Service's initiation of public scoping to explore options to help address flooding in Buxton and Frisco that has occurred frequently in recent years.

I want to thank you for your commitment to finding solutions to this problem. Over the past several years, visitors' access to popular parts of the seashore has been impaired by flooding on many occasions. I know you have done your best to use the tools at your immediate disposal to provide temporary relief, and I am grateful for your help. However, we all acknowledge that long-term solutions are needed. Anything that can be done in that regard would be greatly appreciated. If I can be helpful in that process, please don't hesitate to let me know.

Sincerely,

Walter B. Jones  
Member of Congress
